SPECTATOR

FOREWORD

In publishing this, the nineteen forty-six Spectator, our thoughts are on the future. It is here, in our high school, that we have laid the corner stone for our future lives. In the days to come, when you pause for a brief moment from the laying of additional stones of life, we hope that these pages will provide a joy by recalling the days when the foundation was begun. If this be true, we have succeeded in our task.

GODDESS OF VICTORY

The turmoil of the past four years has left its tremendous effects upon the people of the nation. The war was fought with but one purpose in the nation's mind -- final victory and peace. To this purpose, a prosperous and everlasting peace, The Senior Class of nineteen hundred forty-six dedicates this SPECTATOR.

ADMINISTRATION

MR. McCOY

Superintendent

MR. RANDALL

Principal

MR. COWAN

Assistant Principal

Mr. Melvin L. McCoy, a native of Missouri, was born in 1895. He was graduated from high school at Waldron, Arkansas. He received his A. B. at William Jewell College, his B. S. at the University of Missouri, and his M. A. at Columbia University.

Mr. McCoy, while in college, did a little commercial art, worked in a clothing store, and coached football, basketball and track. His hobbies are fishing and collecting apt expressions from readings.

Mr. McCoy, who has been Superintendent for the past three years, hopes to create better conditions for the students in the future.

Mr. Randall, our principal, is imperative to the smooth running of our school. Mr. Randall supervises all instructions and activities. He is, in general, administrator of high school affairs.

Mr. Randall obtained his A. B. degree at Western College of Kalamazoo, and his M. A. degree at Harvard University.

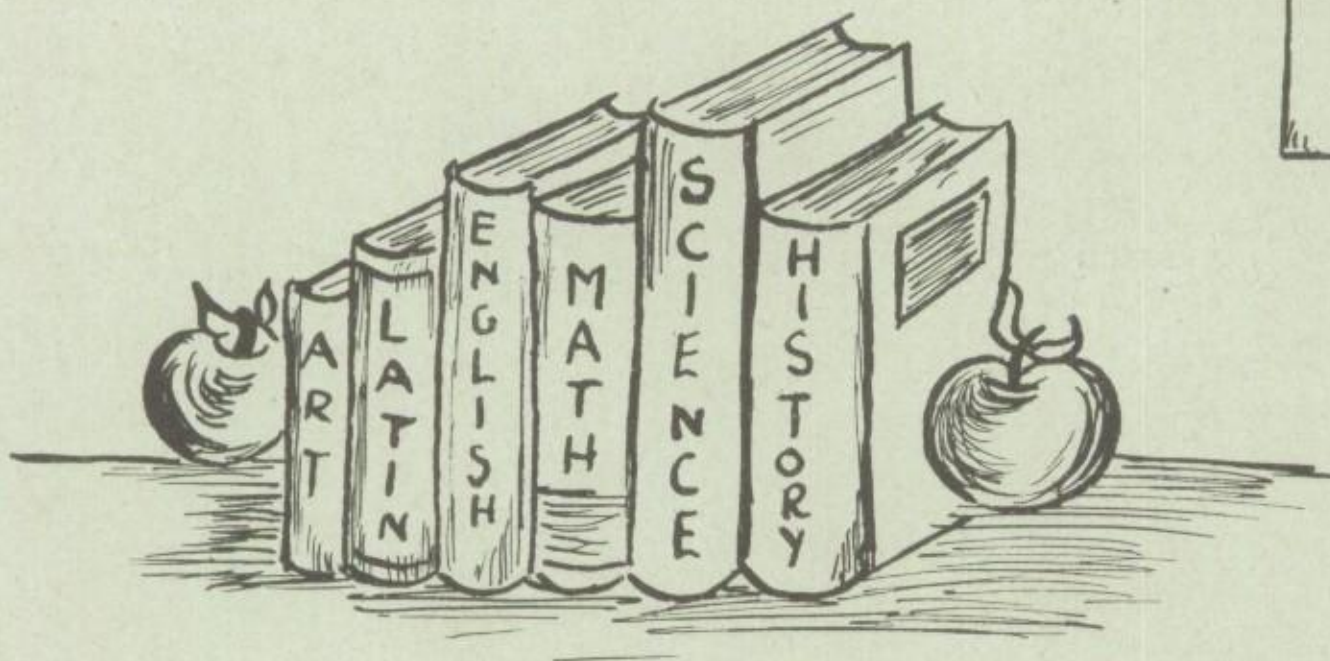

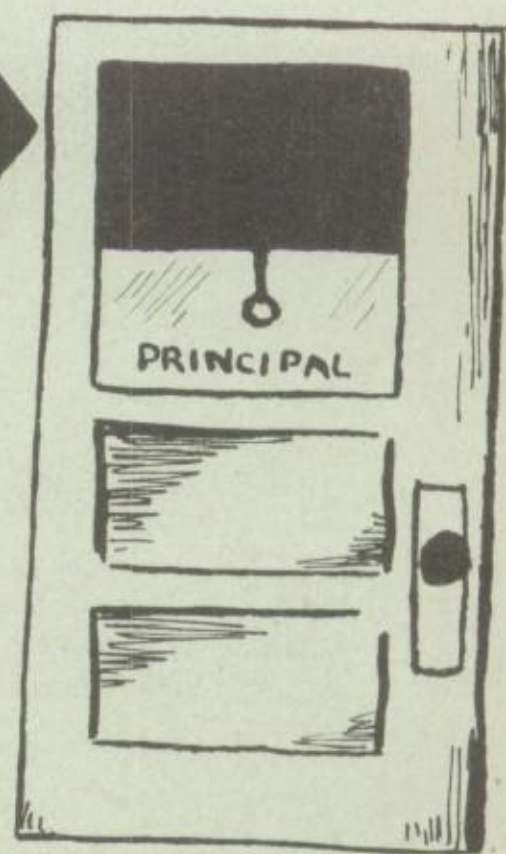

A participant in many community affairs, he is a member of the Kiwanis Club and is also a member of the Wayne Coordinating Council. Mr. Randall is also on two state educational committees "State Committee of Secondary Education" and the "State Committee for Vocational Guidance." Recently he was appointed to a special committee to study High School and College relationships.

Mr. Cowan has the difficult task of checking attendance with all its many details. This is but one of the innumerable tasks given to the assistant principal. He is the direct helper of Mr. Randall.

Mr. Cowan obtained his A. B. degree at the University of Michigan and has studied at such other schools as the University of Southern California and McGill University.

Mr. Cowan finds he has but a few spare moments from his duties at school and some of these are spent as a member of the Wayne Co-ordinating Council.

P R E S I D E N T ' S M E S S A G E

For the past four years we have been associated with the teachers of our Wayne High School. Under their friendly guidance our adult careers have had their beginning. Here the foundation has been laid for our next step in life. We have been given every advantage that is available to assure us the necessary background for this new venture. Our achievements in this next step will be the result of a training beginning in an atmosphere of friendliness and understanding.

I wish to express the thanks of the class to our sponsors, Miss Morse and Mr. Allen, for their cheerful guidance through this, our high school life.

CLASS HISTORY

1942 found us as green a group of freshies as ever graced the halls of Wayne High. However, we soon settled down sufficiently to select Mrs. Bower and Mr. Allen as our sponsors and organized the class under the leadership of Bud Blackwell. Our activities were limited to a class party held in mid-winter.

We spent a restful Sophomore year with Don Mason as president. Since we had no sponsors, we confined our activities to selecting class rings.

In 1944, we assumed the responsibilities connected with being Juniors. We elected Bill Masterson, president, and Miss Morse and Mr. Allen became our sponsors. With the Senior Cruise as our objective, we earned a tidy sum selling Christmas cards, which was quickly followed by the class play, "Aunt Susie Shoots the Works" directed by Miss Klaaren. We rang down the curtain on an eventful year with our J-Hop which was extremely successful.

September 1945 ushered in the final era of our high school careers. With Harry Prieskorn as our president we sponsored the traditional Fall Frolic which had as its theme the emblems of the season's football opponents. "The Fighting Littles," our class play, was directed by Mrs. Rice, and presented shortly before Christmas. Meanwhile, the staff was working feverishly on the new and improved 1946 Spectator. Upon returning from the long-awaited Senior Cruise, we found ourselves deep in the plans for the Senior Prom, and the many activities which mark graduation.

FALL FROLIC

This year we found the young couples at the Annual Fall Frolic, dancing to the lovely strains of Nick Jabe's Orchestra within a beautifully decorated gymnasium. The Fall Frolic is held each year in honor of the Varsity Football Team. The theme followed through perfectly as the decorations were the pictures of the emblems of all opposing schools with the score of the game below. Since our team was so victorious, the Fall Frolic was a scene of great celebration.

Of the many purposes of our school, the attainment of scholarship stands very high. Scholarship represents that proficiency in the knowledge and application of literature, science and the arts.

The above mentioned Seniors during their four years in high school have performed that type of high quality work in the classroom which brings them recognition for their excellence. These nineteen people of the Senior Class have had only an "A" or "B" for a semester mark for every class they have taken.

Special tribute must be paid to Dorothy Dunlap who is the Valedictorian of the Class of 1946, and Mary Stein, the Salutatorian.

CLASS HISTORY OF THE JUNIORS

On a bright fall afternoon of 1943, an eager group of little freshmen assembled in the Gym to elect their officers and make plans for the coming year. They chose Bob Loveless, as president, to help them on their climb up the ladder of knowledge and recognition. Outside of a few assemblies, they did little else.

As Sophomores they held a "Sock Dance," for Sophomores only, which proved a success. Joe Jaskolski was president this year, and he did a grand job.

In this, their Junior year, they sold hot dogs at the football games and Christmas cards. After Christmas their rings came, and there was much excitement. On March 27, 28, and 29 they held their Junior play, "Ever Since Eve," which proved a great success. Now they are all awaiting and looking forward to the J-Hop, their first formal dance. Miss Boot and Mr. Olson have proved to be excellent sponsors for this lively group of students.

SOPHOMORE CLASS

President	John Abner
Vice-President	Mary Mulholland
Secretary	Beverly Carmon

Sponsors	Miss Eleanor Niedermeir Mr. Harry Tower

This ambitious class began its freshmen activities with a class meeting under the leadership of Mr. Randall. Electing Ted Neff to lead them as president for the year, they were not content to remain in oblivion as freshmen classes usually do. Instead of being silent and "green" they became leaders in school activities by electing in the spring four of their members as senators to the Student Congress. This definitely broke a precedent by which freshmen were neither to be seen nor heard.

As sophomores they became even more spirited with numerous activities, including two sandwich sales, the sponsoring of a dance, and the selling of concessions at a football game. The class of '48 shows promise of being a most successful group.

FRESHMAN CLASS

OFFICERS

President	Tom Tracy
Vice-President	Pete Green
Secretary	Sherry Truesdell
Treasurer	Donna Gibson
Sponsors	Miss Virginia Krisikos Mr. Earl Green

The Class of '49 was given a little time last fall to get acquainted with their classmates before they held their class election of officers. After the election, and the ballots were all counted, it was discovered that the kids had chosen Tom Tracy to lead them through their first big year of high school life. He was aided by the other officers and also a representative chosen from each freshman social studies class. The representatives brought back any news to their own classes after the executive board meetings.

They got off to a rip-roarin' start when, on November 31, they held a class party in the school gymnasium. Following the party they rested their weary bones until April 15, when they wore them out again at the roller skating rink. The roller skating party was arranged through their social studies classes.

The town of Wayne didn't need any lights on the night of May 3--why? Because the whole school turned out for the freshman class sponsored "Blue Jean Jamboree!" They all came wearing blue jeans or slacks and loud plaid shirts. Refreshments were served.

Congratulations on your successful year, kids, and we sure hope you have three more of them!

The annual Magazine Drive was sponsored by the Student Congress from February 22 to March 4 under the direction of Joe Shields representing the Crowell-Collier Publishing Company. The goal was set at \$3000 or \$3 per pupil, but the students more than doubled this quota. The final results showed a gross of \$6,058, a new national record for schools of our size.

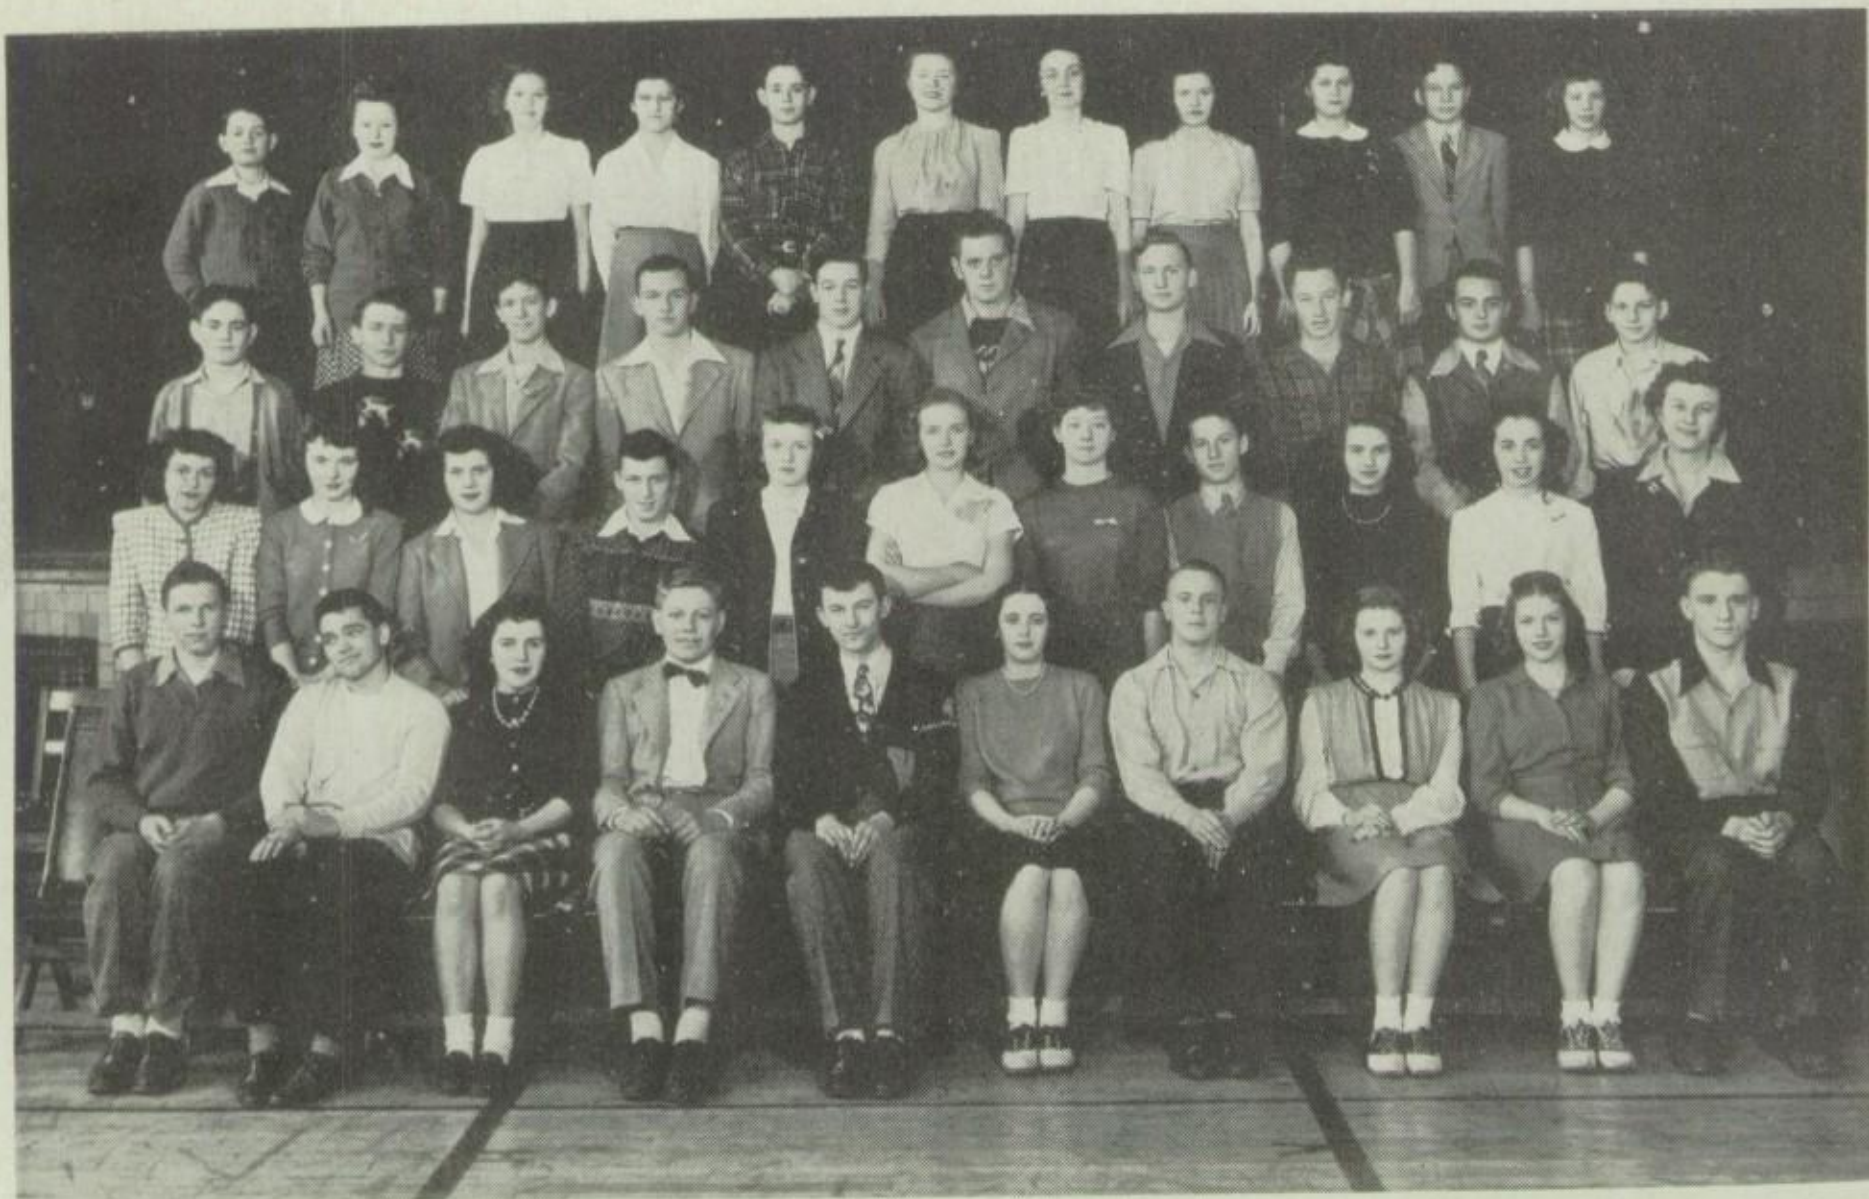

The winning rooms were Mr. Allen, first; Mr. Whitby, second; and Mr. Halloran, third. Among the student body, four joined the select One Hundred Dollar Club, having sold more than this amount. First place went to Rosalie Dupont; second, Joe Kitts; third, Jacequeline Jacobs; and fourth Bud Blackwell.

With their profits the Student Congress has already purchased curtains for the stage and a sound motion-picture projector. For camera equipment, \$300 has been allotted.

The Student Congress, operating again according to its new constitution, has been very active in student affairs. Elections were held in the fall for the organizational representatives, as the officers and senators had been elected the previous spring.

Among its activities, the Student Congress has governed dances and managed the magazine as well as the Red Cross drives. Both were very successful. Proceeds from the magazine drive were used for the betterment of the school facilities. With its other activities the Student Congress has sponsored many orchestra dances.

Under the able sponsorship of Miss Niedermeier the Congress has had a very colorful year.

FOOTBALL 1945

Wayne traveled to Mount Pleasant to play the opening football game of the 1945 campaign. The game was clean and hard fought with the Zebras emerging on the long end of a 12-7 score.

After the warm up game with Mt. Pleasant the local pigskin artists fairly walked all over their opponents in the newly formed "Suburban B League." The average per game was better than 43 points to the oppositions none.

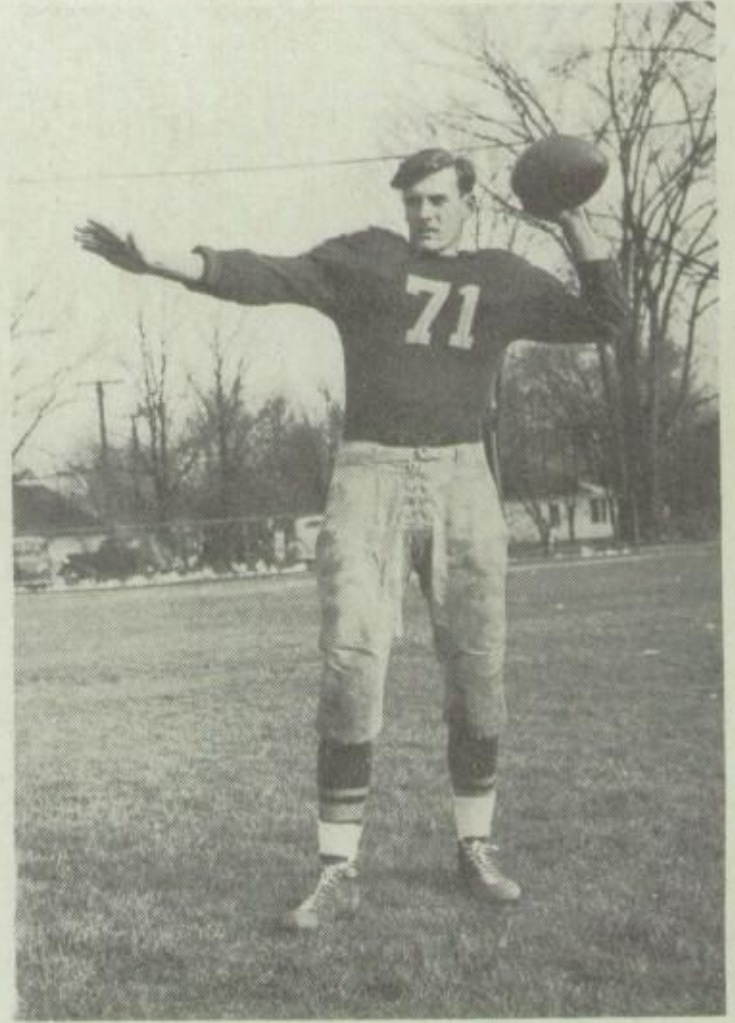

The next team in the path of the mighty Waynites was Monroe. The Zebras rolled over their Trojan opponents administering the worst defeat suffered by a Monroe team in 20 years.

Dearborn came to Wayne with a winning streak of five consecutive games only to see their streak interrupted by a 47-0 defeat at the hands of the "Flying Zebras."

In the final game of the season Wayne polished off Ecorse 47-0.

TRACK

Back Row: B. King, R. Long, L. Schmidt, D. Mason and C. Weimer.
Bottom Row: J. Evans, Capt. G. Smith, Coach Butler and J. Noonan.

Track 1945

The local thinclads did not have the stars that it takes to win large track meets, but they did have enough balance on the squad to hold their own in dual meets.

The climax of the dual-meet season came when Wayne defeated their much larger rival Dearborn. This is a rare feat for any track team. Other schools to fall at the heels of the Zebras were, Redford Union, Plymouth, and Trenton.

Individually, Wayne was led by Captain George Smith, who won the state class "B" shot putting contest and by Lee Schmidt, Conference high jump champion.

Other boys who are expected to aid the 1946 campaign of the Zebras are Horace Austin in the half-mile, John Abner in the hurdles, Bailous King in the mile, Joe Lamar in the high jump, Charles Weimer in the quarter mile and George Hoyer in the shot put.

BASKETBALL

Top Row: Coach Butler, Mgr. Cobb, D. Lepalla, C. Poteau, H. Prieskorn, R. Stephens, Mgr. O'Brien, and Asst. Coach Allen.

Bottom Row: H. Prieskorn, J. Green, Capt. G. Davis, D. Mason, M. McClaughry, and J. Evans.

Basketball 1945-46

Coach Butler had a rugged time transforming his bone crushing football team into a smooth functioning basketball team. After winning one game out of the first thirteen Wayne finally hit their stride and won four in a row.

The hoopsters out played all oponents and were crowned District Champion. Then came time for the Regional Tournament to be played on the Ypsi Central court and Farmington the opponent. Wayne led Farmington 20 to 11 at the half-time. In the last half the boys seemed to lose all their vim, vigor and vitality which was so evident in the first half. As a result the Zebras lost the Regional Championship by 2 points.

Captain Gordon Davis led the Zebras with Ray Stephens and Harry Prieskorn at guards, Don Mason at center and Mike McClaughry at the other forward.

Through fine team work, the Wayne High School baseball team came forth with a victorious season. After a slow start the locals breezed through the Suburban 6-B League, losing only to Plymouth. This entitled them to claim the league title.

Two good reasons for Wayne's success on the diamond were Don Mason, captain-elect, and Eugene Piscopink, retiring captain. Both boys batted a tremendous .517.

GIRLS INTRAMURAL

Intramural activities were started in Jan. 1944. Miss Kionka is head of the girls Intramurals.

A survey was taken and the five most popular sports were put into the Intramural program: Bowling in the fall, basketball and volleyball in the winter, softball and archery in the spring. A point system is kept on file and points are given for all sports participated in, winners and losers as well. At the end of the year the six girls with the highest number of points wins a medal. The following are the girls with the highest points: BOWLING: (1) Betty Goodrich, with 165 points. (2) Lorraine Boettger and Vera Brownell, with 156 points. (3) Leona Direrckens and Jane Searl, with 142 points. VOLLEYBALL: (1) Virginia Lovelady's team came in first. (2) Irene Bishop's team came in second. (3) Katherine Johnson's team came in third. BASKETBALL: (1) Mary O'Leary's and Virginia Lovelady's teams tied for first place. (2) Joyce Nickle's and Vera Brownell's teams tied for second place.

The "All Star" basketball players played Dearborn at Dearborn High. Girls have played Romulus and Belleville also. This has been the first time for many years that girl activities have been played elsewhere.

In the year 1944 there were 175 different girls who participated in Intramurals. In 1945 275 different girls took part. This year we have 130 girls in bowling, 100 for volleyball, 160 for basketball, 200 for softball and approximately 100 for archery. This year will probably take in about 600 different girls. We also started a leaders class this year which was open to any Junior or Senior girl wishing to assist in the officiating of the softball games.

There were lessons taught to any girls wishing to know the rules and regulations of tennis and golf.

We hope in the coming years that all girls will go out for Intramural Activities and enjoy themselves as much as the girls in the past years have done.
